Case 2004-00238

Deborah Eversole:

Brent Kirtley informed me that you could possibly help me in expediting the request from Cincinnati Bell Telephone in Cincinnati, Ohio for Quick-Connect Communications, LLC.

Your help in expediting our paperwork and approval would be greatly appreciated. We have spent large sums of money for codes, lawyers, accountants, insurance and etc. to operate this business in compliance and in guidelines with the Kentucky Public Service Commission and Cincinnati Bell Telephone to include local ordinance. Waiting for the normal 90 days would put a great deficit and burden on the company. We already have the approved tariff and necessary paperwork to operate but we did not know that it all had to go back to Frankfort for another approval.

Under these circumstances we are truly under your mercy and hope that you will consider our request and grant us the necessary approval so that we may begin the operation of our already, anxiously awaiting business.

Please feel free to contact me with any questions or concerns regarding this matter at the above listed address, email or telephone number.

Sincerely,

Muayad Abu-Saleh
Owner, Quick-Connect Communications, LLC
